

Getting a loan with Gateway Bank

Taking out a loan can be intimidating, but we're here to make it as fast and easy as possible. Our local team is available to sit down with you in person or over the phone to walk you through each step, answer any questions, and customize a loan that fits your needs. Here are the steps when getting a loan through Gateway Bank:

1. APPLICATION

Review our loan documentation checklist at gcbaz.com/loanchecklist to see the documents you will need to submit with your application. Our lenders can help evaluate your options and answer any questions along the way.

Then, visit gcbaz.com/businessloanapp to complete your application online or download a hard copy to submit in person. Once we receive your complete package, we can provide an interest rate indication.

2. APPROVAL

Typically 1-10 days after submission

Gateway's Loan Committee meets to review your application and either approve it or request more information.

3. CLOSING

Typically 3-45 days after approval

Once approved, we'll meet with you to sign paperwork and provide access to your funds so you can keep growing toward your goals.

4. SERVICE

Every 3-6 months

Every quarter or so, we'll check in to see how things are going and gather financial information required to service your loan.
